Groups

MULTIPLE INDUSTRIAL SERVICES
An ISO 9001:2015 Certified

ABOUT US

TIRUMALA GROUPS was established in the year **1991**, with its flagship company **TIRUMALA SERVICES**, to provide quality manpower in all fields of expertise to address the ever increasing need of the industry.

Since the inception, our focus has been to provide quality services at a competitive price to our esteemed customers and we are proud that we were & still doing it in a successful manner. It is due to our team's professional and committed approach, over the past 33 years, we have succeeded in expanding to become a recognised name in the manpower solutions industry. We are always striving hard to address the changing needs of the market and accordingly venturing into newer segments and we are happy to share that with existing and new ventures we have been able to spread our operations to the entire nation. In the recent past we have established our overseas footprint in UAE.

Vision

Our aim is to establish the standard for manpower contracting services by continually providing high-quality workforce solutions that suit our clients' evolving demands. We want to form long-term partnerships built on trust, integrity, and mutual success.

Mision

To ensure top-notch service delivery, we continuously invest in our workforce's training and development. Maintain strict compliance with industry standards and regulatory regulations. Create a culture of safety, respect, and collaboration in each workplace we serve.

OUR VALUES

At Tirumala Groups, we are very passionate about our work. We strive hard to keep providing more value to both our clients and staff. A common set of values and goals, shared by every member of our company serves as a standard reference point and enables us all to move together successfully into the future.

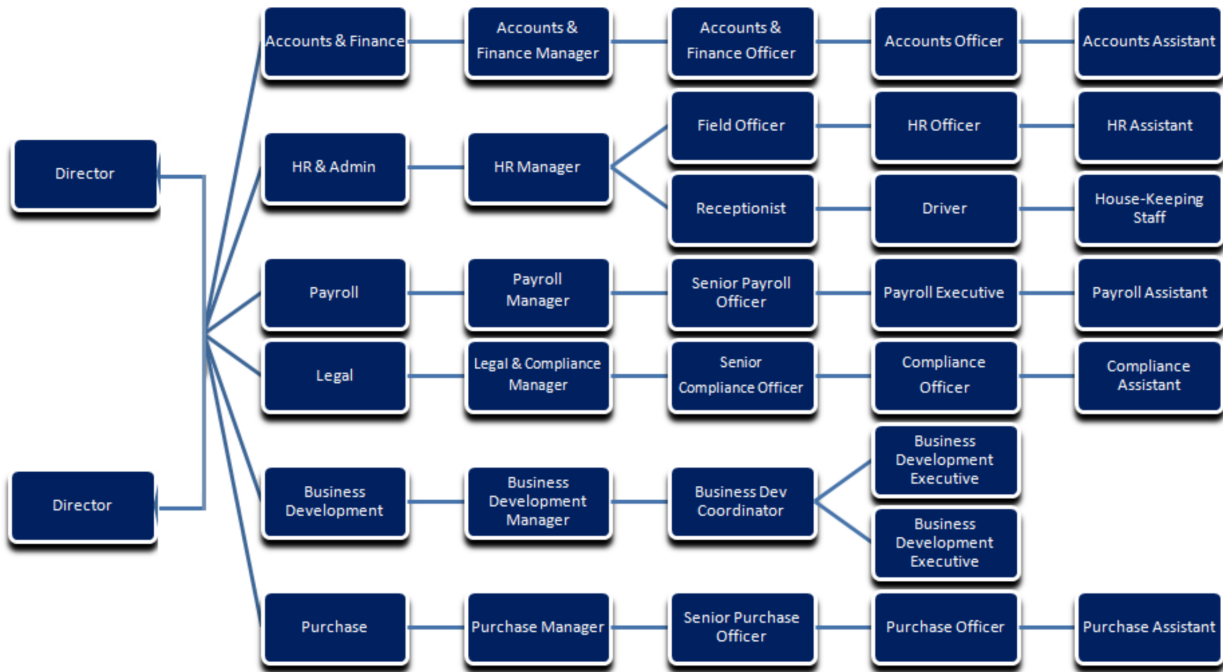

Excellence And Quality

MANPOWER SOLUTIONS

“India's Manufacturing Sector is vast and growing at a faster pace. Having skilled manpower in place has become a challenging task for the Human Resources department and selecting the deployable ones becomes even more daunting.”

With a large pool of manpower resources with various skill sets across the industries ranging from Automotive, Aerospace, Chemical, Pharmaceuticals, Precision Engineering, Dairy, Food, Electrical & Electronics components, Robotics & AI, Forging, Heavy Fabrication, Steel & Textile, to name a few, we are capable of providing

- White Collar – Skilled Professionals / Experienced / Freshers
- Blue Collar – Highly Skilled / Semi Skilled / Unskilled Workers – Freshers / Experienced

SERVICES WE OFFER

We give quick and effective response to our esteemed clients. Our average response time to a client requirements is reasonably less than the standard response time in the industry.

OUR SUCCESS STORIES

THERMAX

Since 2015, Thermax has led supercritical boiler fabrication with a unique factory-in-factory approach, combining skilled engineering, cutting-edge technology, and rigorous quality control to exceed industry standards.

MAGNA

For 15 years, Magna has recognised us a trusted partner in the automotive industry for providing skilled manpower to manufacture high-quality chassis for Mahindra and Mahindra and TATA Motors.

TATA MOTORS, VOLVO & EICHER

We oversee the entire bus assembly process, transforming chassis into fully operational buses with meticulous attention to detail and advanced technologies, ensuring top-quality and safety standards.

JCB

At JCB, we specialize in heavy fabrication and assembly of excavators by offering skilled welders, fitters and supervisors to ensure top-quality and reliable production.

BHARAT FORGE

TRINITY, KALYANI TECHFORGE & BHARAT FORGE

These companies specialize in forging and finishing processes. We provide skilled professionals such as press operators, inspectors, coining operators, & engineers to ensure precision and expertise throughout production.

L&T Hydrocarbon

L & T HYDROCARBON

We supply skilled manpower for L&T's heavy fabrication and assembly projects, ensuring precise, high-quality standards.
